

2026-27 TJHRA/Region 1 MEMBERSHIP CHECKLIST

Start here and follow each step carefully—this checklist includes everything you need to know.

All items on this checklist must be completed before you can compete. You will not be allowed to rodeo if anything is missing.

Complete the membership application through the NHSRA Portal –
<http://nhsra.equestevent.com>

All members must pay membership fees online by credit card. Fees are \$285 plus a processing fee: \$95 National, \$115 State, and \$75 Region 1. After payment, the next screen will show a blue button for each form you need to download and print. Download and print every form, then return to the portal to upload them after they are signed and notarized.

*New members must create an account on the NHSRA Portal.

*Returning members should log in with last year's username. If you forgot your password, select Forgot Password to reset it. When prompted to renew, click the renewal button. Update your address, email, and phone number at this time, since these are used for communication. On the next screen, you may change regions if you are moving to or from Region 1.

*(A Guidelines link is available if you need help completing your membership.)

ALL MEMBERS:

Print the Membership Application and Minors Release from Member Documents. Complete both forms and have the Minors Release notarized. Review this form carefully, as it is often completed incorrectly by the notary. The notary must list all three names—the member and both parents—on the line at the bottom of the page labeled “Notary: List all Names Notarized,” or the State Office will return the form.

Only one parent's signature is acceptable if the other parent is deceased or if the signing parent has full custody. In that case, write “deceased” or “have full custody” on the line where the second parent would have signed.
